

ABOUT GALLERY SPONSORSHIPS

Gallery One Visual Arts Center is a nonprofit organization located in historic downtown Ellensburg. We are a cultural hub where creative collaborations start, multiple forms of art are expressed and minds of all ages are inspired.

Sponsors care about our mission. We invite community members and businesses to invest in the arts and receive a variety of benefits to your business.

Gallery One provides networking between artists, organizations and businesses in support of the arts to foster community cohesion and arts appreciation.

FIRST FRIDAY

Every First Friday of the year (except January)

First Friday celebrates the opening of our new exhibits. It's a monthly gathering of community members. Attendance for this popular event ranges from 300-600 people. An estimated 1750 people visit the Gallery each month. Let them know your business supports the arts!

Business sponsorship of an exhibition ranges from \$250(half) to \$500(full) or the equivalent in in-kind donations.

Sponsorships cover the direct postcard, wall signage and catering costs.
